-  thetooaung07@gmail.com
-  Insein Township, Yangon

## PROFILE

A university student with a deep passion for Computer Science. I am currently working in my university software engineers' team as a full-stack developer. I am hardworking, creative and an excellent problem-solver when it comes to software development. I am willing to do my best no matter what it takes to become a part of the community where we share, we learn and grow together.
